soweto tour

SOWETO, acronym for South Western Township, is home to over 2 million people, who, despite living in crowded and chaotic conditions, have a tangible sense of community, one which ironically, the ordered, walled, elitist northern suburbs lack.

- Visit the Hector Pieterse Museum.
- We pass Mandela House, and give you time to visit this fascinating little museum (own account).
- Our journey continues to Regina Mundi Church.

Soweto is unlike a suburb you've ever seen or been to, yet the history of struggle encapsulated here is a cornerstone of the South African story.

- Children 2-12years half price; 0-2 years are free.
